

## **INDEPENDENT AUDITORS' REPORT**

To the Members of

**Peninsula Crossroads Private Limited**

**Report on the audit of Ind AS Financial Statements**

### **Opinion**

We have audited the accompanying Ind AS financial statements of **Peninsula Crossroads Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit and cash flows for the year ended on that date.

### **Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

### **Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's

Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the state of affairs(financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements:

(1) As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

(b) In our opinion, proper books of account as required by law have been kept by the Company throughout the year so far as it appears from our examination of those books, back up on daily basis of books of accounts are maintained in electronic mode in a server located physically in India. Refer Note no. 42 of the Financial Statement.

(c) The Balance Sheet, the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account;

(d) In our opinion, the aforesaid financial statements read with note 1 (c) thereto comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014;

(e) On the basis of written representations received from the directors as on March 31, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act. As per MCA records, the company has not filled its annual return (Form MGT-7) for FY 2022-23 till the date of audit;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, we give our separate Report in "Annexure A";

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the company has not paid any remuneration to its directors during the year hence provisions of section 197 of the Act shall not be applicable.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements, wherever applicable.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts wherever applicable.
- iii. There are no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The company has not declared or paid any dividend during the year.
- vi. As stated in Note No. 43 of the Financial Statement the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024, which has a feature of recording audit trail and maintaining log of creating and changes made and the same has been operated from June 21, 2023, at database level and for all relevant transactions recorded in the software. Based on our examination which included test check basis during the course of our audit we did not come across any instances of the audit trail feature being tampered with.

As per proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit & Auditors) Rules, 2014 on Preservation of audit trail as per statutory requirement for record retention, this being the first-year requirement for record retention is not applicable for the financial year ended March 31, 2024.

(2) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "B", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

**ANNEXURE "A"**  
**TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **Peninsula Crossroads Private Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Peninsula Crossroads Private Limited** ("the Company") as at March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's responsibility for internal financial controls**

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

## Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**ANNEXURE 'B'**  
**TO THE INDEPENDENT AUDITOR'S REPORT**

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **Peninsula Crossroads Private Limited** on the financial statements for the year ended 31<sup>st</sup> March 2024]

- i. (a)
- (A) The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The company does not have any intangible assets. Accordingly, the reporting under paragraph 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) Property, Plant and Equipment have been physically verified by the management at reasonable intervals during the year and no material discrepancies were identified on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties as disclosed in the financial statements are held in the name of the Company.
- (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, the reporting under paragraph 3(i)(d) of the Order is not applicable to the Company.
- (e) According to the information and explanations provided to us no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) The Company is involved in the business of rendering services. Accordingly, the provisions stated in paragraph 3(ii) (a) of the Order are not applicable to the Company.
- (b) According to the information and explanations provided to us, the Company has not been sanctioned working capital limits. Accordingly, the requirements under paragraph 3(ii)(b) of the Order is not applicable to the Company.
- iii. (a) According to the information and explanation provided to us, and based on our examination of the records of the company, during the year the Company has granted loans or advances in the nature of loans to its holding company.
- (A) The Company does not have any subsidiaries, Joint Ventures and Associates, hence reporting under this clause is not applicable.
- (B) The details of such loans or advances and guarantees or security to parties other than subsidiary, joint ventures and associates are as follows:

	<b>(Amount Rs. in Lacs)</b>			
	<b>Guarantees</b>	<b>Security</b>	<b>Loans</b>	<b>Advances</b>
<b>Aggregate amount granted/provided during the year</b>				
Holding Company	Nil	Nil	142.50	Nil

<b>Balance Outstanding as at balance sheet date in respect of above cases</b>				
Holding Company	Nil	Nil	4126.74	Nil

(b) The Company has granted Interest free loan to its holding company. Considering the furtherance of business objectives of the company and having regard to such management representation, in our opinion, the terms and condition of the grant of the loan to holding company is not prejudicial to the interest of the company.

(c) The company has granted interest free loan repayable on demand to its holding company, details of which is as follows

(Amount in Rs. Lakhs)					
Name of the Entity	Relationship	Gross Amount	Due Date	Extent of Delay	Remarks, if any
Peninsula Land Limited	Holding company	4126.74	All the loans are repayable on demand. We are informed that the Company has not demanded repayment of any such loans during the year, and thus, there has been no default on the part of the party to whom the money has been lent. Accordingly, information relating to due date and extent of delay has not been provided.		

(d) The company has not granted loans or advances in the nature of loan granted to firms, limited liability partnerships or any other parties which are overdue for more than ninety days.

(e) There were no loans or advance in the nature of loans granted to companies, firms, Limited Liability Partnerships or any other parties which was fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) According to the information explanation provided to us, during the year the Company has granted loans/advances in the nature of loans repayable on demand or without specifying any terms or period of repayment to its holding company. The details of the same are as follows: -

(Amount Rs. in Lacs)			
	All Parties	Promoters	Related Parties
<b>Aggregate amount of loans/ advances in nature of loans</b>			
- Repayable on demand (A)	Nil	142.50	Nil
- Agreement does not specify any terms or period of repayment (B)	Nil	Nil	Nil
<b>Total (A+B)</b>	Nil	142.50	Nil
Percentage of loans/advances in nature of loans to the total loans	Nil	100.00%	Nil

- iv. In our opinion, based on our examination and according to information and explanation given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities.
- v. In our opinion, based on our examination and according to information and explanation given to us, the company has not accepted any deposits and hence reporting on paragraph 3 (v) of the order is not applicable.
- vi. The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the activities of the company and hence reporting on paragraph 3 (vi) of the order is not applicable.
- vii. (a) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales-tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues were in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us and examination of records of the Company, details of dues of income tax / other acts which have not been deposited on account of any disputes are as follows: -

**(Amount in Rs. Lacs)**

Name of the Statute	Nature of the Dues	Amount (Rs.)	Period to which the amount relates (Assessment Year)	Forum where dispute is pending	Remarks, if any
The Income Tax Act, 1961	Income Tax	1,22,741/-	2008-09	Assessing Officer	Rectification filled
The Income Tax Act, 1961	Income Tax	6,39,350/-	2010-11	Jurisdictional Assessing Officer	Rectification filled
The Income Tax Act, 1961	Income Tax	16,75,460/-	2013-14	CPC	Rectification filled
The Income Tax Act, 1961	Income Tax	6,71,310/-	2014-15	Jurisdictional Assessing Officer	Rectification filled
The Income Tax Act, 1961	Income Tax	280/-	2015-16	Jurisdictional Assessing Officer	Rectification filled
The Income Tax Act, 1961	Income Tax	1,24,680/-	2017-18	CPC	Rectification filled
The Income Tax Act, 1961	Income Tax	9,36,760/-	2018-19	CPC	Rectification filled
Property Tax	Property Tax	77,98,000/-	Earlier Years	High Court, Mumbai	Property Tax in Dispute with MCGM

- viii. There are no unrecorded transactions in the books of accounts which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) In our opinion, based on our examination and according to information and explanation given to us, the company has not availed any loans or other borrowings from any lender and hence reporting on paragraph 3 (ix) (a) of the order is not applicable.
- (b) The company is not a declared willful defaulter by any bank or financial institution or other lender.
- (c) During the year the company has not availed term loan and hence reporting on paragraph 3 (ix) (c) of the order is not applicable.
- (d) In our opinion, based on our examination and according to information and explanation given to us, during the year the company has not raised funds and hence reporting on paragraph 3(ix)(d) of the order is not applicable.
- (e) The Company does not have any subsidiary, associate or joint venture, hence reporting under the paragraph 3(ix)(e) of the order is not applicable to the Company.
- (f) The Company does not have any subsidiary, associate or joint venture, hence reporting under the paragraph 3(ix)(f) of the order is not applicable to the Company.
- x. (a) According to the information and explanations given to us and based on our examination of the records of the company, during the year the company has not raised any money by way of initial public offer or further public offer (including debt instruments).
- (b) The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) The company has not received any whistle-blower complaints during the year and hence reporting on paragraph 3 (xi) (c) of the order is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting on paragraph 3(xii) of the Order is not applicable to the Company.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. Internal audit is not applicable to the Company; hence paragraph 3(xiv) of the Order is not applicable to the Company.

- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph clause 3 (xvi)(a) of the Order are not applicable to the Company.
- (b) In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(b) of the Order are not applicable to the Company.
- (c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(c) of the Order are not applicable to the Company.
- (d) The Company does not have any CIC as part of its group. Hence the provisions stated in paragraph clause 3 (xvi) (d) of the order are not applicable to the company.
- xvii. The company has not incurred any cash losses during the current financial year however in the immediately preceding financial year it has cash losses, the calculation of the same is as follows: -

(Rupees in Lakhs)	
Particulars	P.Y.
Net Profit / (Loss) before Tax	215.05
Non-Cash Items: -	
Add Non-cash Expenses	15.24
Less Non-Cash Income	374.23
<b>Cash Profit / (Losses)</b>	<b>(143.95)</b>

- xviii. There has been no resignation of statutory auditors during the year; hence paragraph 3(xviii) of the Order is not applicable to the Company.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information and explanations given to us, and based on our examination of the records of the company, paragraph 3(xx) of the Order is not applicable.

xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of financial statements. Accordingly, no comment in respect of the said clause has been included in the report.

## Peninsula Crossroads Private Limited

### Notes forming part of Financial Statements for the year ended 31<sup>st</sup> March 2024

#### 1. Company Overview

Peninsula Crossroads Private Limited ("the Company") is a Private Limited Company domiciled in India and incorporated under the provision of the Companies Act, 2013. The Company is engaged in the business of renting of properties. The registered office of the Company is located at 1401 Tower B, Peninsula Business Park, Ganpatrao Kadam Marg, Lower Parel, Mumbai 400 013.

The financial statements of the Company for the year ended 31<sup>st</sup> March, 2024 were authorised and approved for issue by the Board of Directors on 21<sup>st</sup> May 2024.

#### 2. Significant Accounting Policies

##### I Basis of Preparation of Financial Statements

###### (a) Compliance with Ind AS

The financial statements of the Company has been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act 2013 (as amended from time to time) and presentation requirement of division of schedule III to the Companies Act 2013, (Ind AS compliant & schedule III), as applicable to this financial statements.

###### (b) Historical Cost Convention

The financial statements of the Company have been prepared on historical cost basis except for certain financial assets and liabilities that are measured at fair value (Refer Accounting Policy regarding financial instruments).

###### (c) Current / non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- it is expected to be settled in normal operating cycle.
- it is held primarily for the purpose of trading.
- it is due to be settled within twelve months after the reporting period, or

- there is no unconditional right to defer its settlement for atleast twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current.

#### **(d) Operating Cycle**

All assets and liabilities have been classified into current and non-current based on operating cycle of the company of twelve months.

#### **(e) Functional and Presentation Currency**

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All values are rounded off to the nearest lakhs.

## **II Use of accounting and judgments, assumptions and estimates**

In the application of the Company's accounting policies, management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Following are the key areas of judgements, assumptions and estimates which have significant effect on the amounts recognized in the financial statements:

### **a. Impairment of Non-Financial Assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

**b. Impairment of Financial Assets**

The impairment provisions for financial assets are based on assumptions about the risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**c. Useful life and residual value of Property, Plant and Equipment and Intangible Assets**

Useful lives of Property, Plant and equipment are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

**d. Fair Value Measurement of Financial Instruments**

When the fair values of the financial assets and liabilities recorded in the Balance Sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market wherever possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in assumptions could affect the fair value relating to financial instruments.

**III Measurement of Fair Values**

The Company measures financial instruments, such as certain investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Company has an established control framework with respect to the measurement of fair values. The Management regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the Management assesses the evidence obtained from third

parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data.

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

#### **IV Property, Plant and Equipment & Depreciation**

##### **a. Recognition and Measurement**

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

- i. its purchase price, including import duties and non refundable purchase taxes, after deducting trade discounts and rebates.
- ii. any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by Management.
- iii. the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Company incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.
- iv. Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by Management, are recognised in the Statement of Profit and Loss. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

**b. Subsequent Expenditure**

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment and, including repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in the Statement of Profit and Loss of the Company in the year of disposal.

Expenses incurred for acquisition of capital assets excluding advances paid towards the acquisition of fixed assets outstanding at each Balance Sheet date are disclosed under Capital Work in Progress.

Capital Work in Progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.

**c. Depreciation**

Depreciation is provided from the date the assets are ready to be put to use, on straight line method as per the useful life of the tangible assets as prescribed under Part C of Schedule II of The Companies Act, 2013.

Depreciation is calculated on a prorata basis from the date of installation / acquisition till the date the assets are sold or disposed.

Depreciable amount for assets is the cost of an asset or amount substituted for cost, less its estimated residual value.

Reclassification to investment property when the use of a property changes from owner occupied to investment property the property is reclassified as investment property at its carrying value on date of reclassification.

**V. Investment Property**

Investment property is property held to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Upon initial recognition, an investment property is measured at cost. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Based on technical evaluation and consequent advice, the Management believes a period of 60 years as representing the best estimate of the period over which investment properties are expected to be used. Accordingly, the Company depreciates investment property over a period of 60 years.

Investment properties are derecognised when they have been disposed off on when they are permanently withdrawn from use and no future economic benefit is expected from this disposal.

Though the Company measures investment property using lost based measurement the fair value of investment property is disclosed in the notes, fair values, where necessary are determined based on an annual evaluation performed by an accredited external independent valuers.

## **VI Financial Instruments**

### **a. Financial Assets**

#### **i. Classification**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

#### **ii. Initial Recognition and Measurement**

All Financial Assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### **iii. Subsequent Measurement**

For purposes of subsequent measurement financial assets are classified into two board categories:

- a. Financial asset at fair value
- b. Financial asset at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit or loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

- iv. A financial asset mainly debt that meets the following 2 conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business Model Test** : the objective of the Company's model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes)
- **Cash Flow Characteristics Test**: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A financial asset that meets the following 2 conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- **Business Model Test** : the financial asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets
- **Cash Flow Characteristics Test**: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortised cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognising the gains or losses on them on different basis.

All other financial asset is measured at fair value through profit or loss.

**v. De-recognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset.

**vi. Impairment of Financial Asset**

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial asset measured at amortised cost
- Financial asset measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables, considering historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis.

The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

**b. Financial Liabilities**

**i. Classification**

The Company classifies all financial liabilities as subsequently measured at amortised cost or at fair value through Profit and Loss.

**ii. Initial Recognition and Measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables.

**iii De-recognition**

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

**Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**c. Equity Instruments**

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recognised at the proceeds received net off direct issue cost.

**VII Revenue Recognition**

Income from Operations include Common Area Maintenance (CAM) Charges, Service Fees, Car Parking Charges. These are recognised on accrual basis.

Interest income is recognised on accrual basis at effective interest rate.

## VIII Income Tax

Income Tax expense comprises current and deferred tax. It is recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in Equity or in Other Comprehensive Income.

### a. Current Tax

Current Tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends.

Current tax assets and liabilities can be offset only if the Company

- (i) has a legally enforceable right to set off the recognised amounts; and
- (ii) Intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

### b. Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- (i) The Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- (ii) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

**c. Minimum Alternate Tax (MAT)**

In case the Company is liable to pay income tax u/s 115JB of Income Tax Act, 1961 (i.e. MAT), the amount of tax paid in excess of normal income tax is recognised as an asset (MAT Credit Entitlement) only if there is convincing evidence for realisation of such asset during the specified period. MAT paid during the year is charged to Statement of Profit and Loss as current tax. MAT credit entitlement is reviewed at each Balance Sheet date. For the purpose of disclosure of MAT in financial assets, the same has been considered as deferred tax asset.

**IX Leases**

**a. Where Company is the Lessee**

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on straight line basis over the lease term, unless there is another systematic basis which is more representative of the time pattern of the lease

**b. Where Company is the Lessor**

Assets representing lease arrangements given under operating leases are included in Property, Plant and Equipment. Lease income is recognised in the Statement of Profit and Loss on straight line basis over the lease term, unless there is another systematic basis which is more representative of the time pattern of the lease. Initial direct costs are recognised immediately in the Statement of Profit and Loss.

**c.** Agreements which are not classified as finance leases are considered as operating lease.

**d.** Payments made under operating leases are recognised in the Statement of Profit and Loss. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

**X Borrowing Cost**

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing.

Borrowing costs, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the time all the activities necessary to prepare the qualifying asset for its intended use or sale are complete, are allocated to qualifying assets.

All other borrowing costs are recognised as an expense in the period which they are incurred.

#### **XI Cash and Cash Equivalents**

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

#### **XII Earnings Per Share**

Basic earnings per share is computed by dividing the profit / loss after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit / loss after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

#### **XIII Statement of Cash Flows**

Statement of Cash Flows is prepared under the "Indirect Method" as prescribed under the Indian Accounting Standard (Ind AS) 7 -Statement of Cash Flows.

Cash and Cash equivalents for the purpose of Statement of Cash Flows comprise of cash at bank and in hand and short term investments with original maturity of three months or less.

#### **XIV Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in the Notes. Contingent liabilities are disclosed for

- (i) possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitment are reviewed at cash balance sheet date.

Contingent Assets are not recognised in Financial Statement. If an inflow of economic benefits has become probable, contingent assets are disclosed.

Contingent Assets are assessed continually to ensure that developments are appropriately reflected in the Financial Statements. If it has become virtually certain that an inflow of economic benefits will arise, the asset and the related income are recognised in the Financial statements of the period in which the changes occurs.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ;
- Liquidity risk ; and
- Market risk

### Risk management framework

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

#### i. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers, loans and investment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in normal course of business. The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The carrying amount of following financial assets represents the maximum credit exposure:

#### a. Trade and other receivables

Customer credit risk is managed by requiring customers to pay within 30 days of bill raised and stringent credit terms, therefore substantially eliminating the credit risk in this respect.

#### Impairment

The ageing of trade and other financial assets (excluding balance with banks in deposit accounts and interest receivable thereon) that were not impaired was as follows.

Trade receivables	(Rs. in lakhs)	
	As at 31st March 2024	As at 31st March 2023
Neither past due nor impaired	-	-
Past due 1-180 days	4.39	10.79
Past due 180 & Above	-	-
	<u>4.39</u>	<u>10.79</u>
Other receivables	(Rs. in lakhs)	
	As at 31st March 2024	As at 31st March 2023
Neither past due nor impaired	-	-
Past due 1-180 days	99.79	173.89
Past due 180 & Above	-	-
	<u>99.79</u>	<u>173.89</u>

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk, security deposits including underlying customers' credit ratings if they are available. In case of trade receivables and maintenance receivables, these are secured by way of deposits with the Company which were given initially for the said purpose only.

The movement in the allowance for impairment in respect of trade and other receivables during the year was as follows.

Particulars	As at 31st March 2024	As at 31st March 2023
Opening Balance	356.56	518.83
Provision made / (Reversed)	22.54	(229.19)
Amounts written off	-	66.93
Closing Balance	379.10	356.56

- b. The Company held cash and cash equivalents of Rs 7.23 lakhs at 31st March, 2024 (31st March, 2023: Rs.12.54 lakhs). The cash and cash equivalents are held with banks with good credit ratings.
- c. The Company had given Inter-corporate Loan of Rs.4,126.74 lakhs as at 31st March, 2024 (Rs. 3,984.24 lakhs as at 31st March, 2023)

#### ii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

a. **Exposure to Liquidity Risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

Contractual cash flow

(Rs. in Lakhs)

As at 31st March 2024	Carrying Amount	Total	Within 12 months	1-2 Year	2-5 Years	More than 5 Years
Trade Payables	296.63	296.63	296.63	-	-	-
Other Current Financial Liabilities:						
Payable to Society / Customers	261.54	261.54	261.54	-	-	-
Security Deposit	7.04	7.04	7.04	-	-	-

As at 31st March 2023	Carrying Amount	Total	Within 12 month	1-2 Year	2-5 Years	More than 5 Years
Trade Payables	275.23	275.23	275.23	-	-	-
Other Current Financial Liabilities:						
Payable to Society / Customers	246.65	246.65	246.65	-	-	-
Security Deposit	7.29	7.29	7.29	-	-	-

iii. **Market risk**

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices - will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to the market value of our investments.

**Interest Rate Risk**

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

**Exposure to interest rate risk**

Company's interest rate risk arises from Fixed Deposits and Inter-corporate Loan. The interest rate profile of the Company's interest-bearing financial instruments as reported to the Management of the Company is as follows:

(Amount in Rs.Lakh)

Particulars	As at 31st March 2024	As at 31st March 2023
<b>Fixed Rate Instruments</b>		
Financial Assets		
Balance with Banks in Deposit Account	-	-
Inter-corporate Loans	4,126.74	3,984.24

b **Fair Value Sensitivity Analysis for Fixed Rate Instruments**

The Company does not account for any fixed rate financial assets or liabilities at fair value. Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.
